

# CONTRIBUTIONS, HONORARIUMS AND MEMORIALS

Contributions, honorariums and memorials to ALS of Michigan are a notable way to remember loved ones, and to honor special occasions and special people. These gifts also provide financial assistance to ALS of Michigan in our ongoing mission to support pALS and their families with desperately needed programs and services. If you visit our offices, you will see your contributions at work – because 100 percent of all donations to ALS of Michigan stay right here at home, providing our Michigan pALS and their families with ongoing care and treatment.

We gratefully acknowledge the following individuals and businesses who have generously made contributions, memorial and honorarium gifts to ALS of Michigan from October 1, 2006 – October 31, 2007. Please note that due to space constraints, the 2,500 donations to our 2007 Walk 'n Roll for ALS teams are not included in this list. If we have omitted or misspelled any names, please notify us.
