This referral list is an information tool for patients and families. It is intended to identify some of the agencies that provide services to ALS patients in Michigan. This list is not designed to be an exhaustive compendium of all ALS agencies or to convey any recommendation. Neither the specialists included on the referral list, nor those not included are endorsed or sanctioned. **Patients and Families should always work with their ALS medial professional for suggestions and recommendations for equipment and agencies that would be able to meet their specific needs.**

Categories included below are:

- Adaptive Equipment and Medical Supplies.
- Assistive Technology Services and Devices.
- Financial Planning and Legal and Estate Planning.
- Home Adaptations.
- Transportation.
- Used Medical Equipment-Buy/Sell.
- Vans, Modifications and Conversions.

www.wheelchairramp.org
Minnesota Ramp Project

Ramps

Before you build a ramp it is very important to work with your physical therapist/occupational therapist, neurologist, and the wheelchair company representative to make sure you build a ramp that is going to work with your specific wheelchair.

Many organizations help build ramps. **You should first check with the city you live in to see if they have a ramp assistance program.** Americorps, Elk's Club, and Lion's Club are also good resources for ramps. Lowe's and Home Depot both have programs that might help with the cost of materials. Contact your local store for more information.

Below is a listing of Michigan organizations that have helped PALS build ramps.

Habitat for Humanity

Contact <http://www.habitat.org> or (229) 924-6935 for local affiliates

Veterans-Accessible Homes

Provides veterans with assistance with obtaining a ramp.
