ALS of Michigan is pleased to be able to provide you with our ***ALS Patient and Caregiver Resource Manual***. We have done our very best to provide you with the most comprehensive set of local and national resources available in the ALS community.

Our mission is to help our pALS (person with ALS) and their families live life as fully as possible. To that end, we believe that this resource manual is an instrumental document for you to keep as a reference, and just one of the many ways that we strive to make living with ALS easier.
